ABOUT ME

I am currently pursuing Computer Engineering at D.J.Sanghvi College of Engineering. I am in my second year. I am eager to learn and explore new things. I am ambitious, consistent and hard-working. I am a tech enthusiast.

SKILLS

HTML	Node	C programming	Communication Skills
CSS	Django	Java	Logical and Analytical Thinking
Javascript	Python	Autocad	Teamwork

EXPERIENCE AND PROJECT

DJSCE SYNAPSE August 2024 - Present

ML Developer

- Learning various models like LSTM
- Learning how to increase accuracy through methods like bagging, random forest
- Understanding neural networks

Centralized context-aware firewall SIH | TOP 50 TEAMS

- Making a centralized application-context aware firewall to be centrally deployed
- Make separate firewall policies for each application
- End-point and management through a central web console.

DJSCE UNICODE August 2024 - Present

Django Mentee

- Learning Django and its frameworks
- Leant how to use github, basics of it.

DJSCE ROBOCON April 2024 - Present

Coding Co-Committee

- Learnt basics of SolidWorks
- Learnt Arduino UNO and basics of KiCad
- Learnt basics of python programming
- Learnt how to collaborate in a team

DJSCE eXpress March 2024 - Present

Logistics Co-committee

- Learnt how to work as team
- Enhanced communication skills
- Enhanced logistics skills

Social Summer Of Code May 2024 - Present

Contributor

- Learnt how to contribute in open source
- Leant how to use github, basics of it.

REP COUNTER PROJECT

- Based on CV in ML
- To count number of reps

EDUCATION

D.J.Sanghvi College of Engineering

BTech. Computer Engineering
2023

Prakash College of Commerce and Science

HSC
2021-2023

S.H.Agarwal International School

IGCSE
Till 2021

SCORES

- CGPA - 9.46
- JEE MAINS - 96.9844630
- Mht-CET - 98.9502201
- Cambridge IGCSE School Topper

HOBBIES AND EXTRA CURRICULAR

- NSS Volunteer - Community Engagement
- Listening to music
- Travelling
- Reading
